

Laboratory Animals FELASA Congress Scholarships

‘Pursuing a career in laboratory animal science and technology’

Laboratory Animals Ltd (LAL) is offering two scholarships of 2.500 EUR each for the FELASA 2025 Congress in Athens. For which technicians/caretakers and early career researchers from Asia and Africa who will present an abstract at the FELASA 2025 Congress are invited to apply.

The two LAL Scholarships will help support these persons to participate in the FELASA 2025 Congress, enabling them to acquire knowledge on the 3Rs, humane care and use of laboratory animals, and to exchange scientific experiences with colleagues from other countries. The scholarships will cover the registration fee, travel and accommodation costs up to a maximum of 2.500 EUR. Priority will be given to persons from countries who face significant financial impediments to attend international meetings.

The application must include:

- *a curriculum vitae (2 A4 max)*
- *a copy of the submitted abstract(s) together with proof of acceptance by the FELASA 2025 scientific committee*
- *a recommendation letter*
- *a brief motivation of how you would benefit from attending the meeting*
- *a summary of how you would disseminate the experience you would gain during the meeting, both within and outside your home institution*
- *an estimate of travel costs.*

Applicants are requested to submit their application for the scholarship together with the abstract through this link <https://lal.org.uk/application-form/>, no later than **February 25, 2025**. Application title: Scholarship for the FELASA 2025 Congress. Decisions will be taken by the LAL scholarship committee.
